

INSTRUCTIONS FOR NAIA TERMINAL 3 AIRPORT PICKUP - ALL PASSENGERS

Guests arriving on both international and domestic flights will exit through the same hallway into the arrival hall. As you exit into the arrival hall, TURN RIGHT and walk forward until you see reach the column in front of the Burger King (see photo and map below). Our driver will meet you there. He will be holding a sign board with your full name on it. Once you find the driver. Please ask him for the specific job number once he tells you then he is your approved AC Transport services driver.

If anyone approaches you along the way, do not go with him or her. Some drivers with special access to the Upper level may make a copy of our name board and falsely claim to be with AC Transport Services even though they are not.

Please follow these instructions and let us know if you have any questions. If for any reason you are unable to meet up with the driver at the airport, please call AC Transport Services at 09777706189 before making any other arrangements.

Note:

Since we are sending our driver from Angeles, you will still be charged the full rate for the transport if you take another service without first calling AC Transport Services.

Thanks again for choosing AC Transport Services.

SAFE TRAVELS AND HAVE AN ENJOYABLE FLIGHT!
